# DEDICATION MICHAEL YEI

This year's Hallmark staff is proud to dedicate the 2006 yearbook to Michael Yei. Michael has been at Rowland Hall-St. Marks since 1997, and in that time he has touched the lives of every student with his compassion and sense of humor. In addition to his many duties as Assitant Principal, he has taught Ethics and World Religions, coached Men's and Women's Soccer and led many fantastic Interim trips. The RHSM community is richer for his spiritual presence and his fun-loving sarcasm. Thank you, Michael for your bright smile and your endless hugs.

# THE NEW OFFICE

## A Summer Project

### Heather destroys the office

The faculty have fun with demolition as the old office comes down and the new office goes up!

### New Improvements

The new office is much more productive, and just what the school needed. Not to mention that it was really great for the faculty to take out their stress on the office walls instead of on the students!

# 9TH GRADE TRIP

Every year, the Freshman class takes their last school trip to the Coral Pink Sand Dunes in Southern Utah to bond, learn, and play. The days were spent searching for desert plants for Mr. Hayes' class, painting rocks and learning about Native American Culture with Ms. Herrington, learning study skills with Mr. Hoglund, and learning how to express the environment through writing with Mr. Long. Nights were full of playing on the dunes with Mr. Bentley and Senora Thomas and going scorpion hunting with Mr. C. and Mr. Hayes. It was an enjoyable trip for all who went.

**The volleyball team had a successful season, taking 4th in their region and going to the state tournament. At state they placed 7th out of 16 teams. The team was able to bounce back from a number of setbacks during their season. Good Job girls; good luck next year.**

**“ FAIT-LE TOLL ”**

Ariana Barusch, the original manager of the girls volleyball team has helped out a lot in getting everything done that needs to be. She also has been a nice addition to the team dynamic

Manager Carly Joesten acting silly at the Juab game. Carly started out the year as a player but could not continue, but to still be a part of the team she became a manager.

Team Captain Alex Gardner stops for picture after getting everyone in line.

# CROSS COUNTRY

The Cross Country Team ran throughout the summer conquering puke-inducing hills and mind numbing repeats. We also enjoyed recovery pool sessions and running meandering mountain trails. The team worked really hard, and became region champions in boys' JV and Varsity, and girls' Varsity. The Team then went to state, where the boys took 5th and the girls took 8th.

# WOMEN'S SOCCER

The Women's Soccer Team had a great season in 2005. The team presented a strong defense with Sophomore Ellie Marker in goal with Freshamn Caitlin Jacobs, Sophomores Laja Field and Sarah Snedaker and Junior Alex Jacobs to assist her. A strong midfield came from Seniors Tori Searl and Margie Thorp, Junior Liz Elliot, and Sophomore Hanna Saltzman. The attacking front presented a threat with Juniors Jennie VanWagner and Victoria Heagy and Freshman Lauren Babcock. The team had a few losses, but they also had key victories against St. Joe's and Grantsville. The Winged Lions record was good enough to qualify for state where they lost to a very tough Ben Lomond team 4-1. All in all, the women's soccer team had a great season.

# SWIMMING

This swim season was amazing. The RHSM girls medley relay ranked second in state. This relay was composed of Lauren Wood, backstroke, Danielle Therson, breaststroke, Alyssa Kriss, butterfly, and Sara Bjedov, freestyler. The boys medley also pulled an amazing upset beating Judge early in the season. The swim team was lucky to have an outstanding coaching staff and two great captains, as well as our only Seniors, Lauren Wood and Steven Webber.

## MEN'S BASKETBALL

The RHSM Men's Basketball team had a great season this year. Despite injuries to key players the team was able to pull through and have an incredible pre-season, winning many of their games. The Regular season proved to be more challenging, however, the team had successes. One came on a buzzer beating shot at the end of a hard fought home game.

## ROWMARK SKI TEAM

It was a good season overall for the Rowmark team, as it continues to be one of the premier ski academies in the nation. Each skier was able to improve over the course of the year, both on and off the slopes. One of Rowmark's graduates, Chirine Njeim, represented Rowmark in Torino for the 2006 Winter Olympics.

## WOMEN'S BASKETBALL

**This year's women's basketball team has won more games, progressed further, achieved higher goals and accomplished more overall than any year before. Learning that dedication is key, game and practice intensity is crucial, and that punishment is productive, they had a strenuous and exciting season. Other teams may be larger, but they prove that that is no advantage. Let's hope next year will be just as fun!**

**IT'S NOT HOW BIG YOU ARE,  
IT'S HOW BIG YOU PLAY.**

The Junior Varsity team consists of Junior Emily Kay, Sophomores Lauren Austin, Paige Masuda, Alex Ketchoyian, Vivian Huynh, Mayra Vences, and Freshmen Anne Kay and Maddie Loughridge. This team is going to own the courts when all these sophomores become seniors.

Go JV!

Vivian Huynh and Maddie Loughridge shoot freethrows during practice.

The 2005 Women's Basketball team has been great this year. Always searching for new techniques to confuse the other teams, for better progress and forever inspired by the coaches encouragement, these girls keep their goals in mind and have been improving with every new game.

Paige Masuda has proven she plays larger than she is and can take on the best of the best.

Rebound!

The varsity women's basketball team has done much better than before with more wins to show on their record. If the warm ups before games are any indication of our success with the majority of baskets made, we're going to give the other teams a run for their money. This year's Varsity team consisted of Freshman Blake Harries, Sophomores Mayra Vences, Paige Masuda, Hillary Dealey-Thomason, Erin Armentrout, Abby Bossart and Alex Ketchoyian, Juniors Jerica Johnson, and Emily Kay, and our lone Senior, Teale Orme.

Blake Harries shoots a free throw for the team after being fouled while Alex Ketchoyian looks on. Should be exciting--free throws are one of the areas that's been drilled hard into the entire team this year.

Beware: Jerica Johnson, the one and only "gazelle," capable of jumping higher than any other mortal being when a basketball is involved.

Erin Armentrout, another one of the posts that is so vital to the team.

Alex Ketchoyian listens to Coach T during a time out. Having broken a finger during a game, she proves that you should watch out for this year's players--they'll do anything necessary to win!

Mayra Vences has also sat out with an injury, but thankfully it's been close to the end of the season. Mayra is one of the important posts that plays both JV and varsity.

Blake Harries drives to the hole at home game against the North Summit Braves.

Have some fun with the varsity team! In the times when they're not working on various plays, game strategies, scrimmages, and shooting, the ladies like to have a bit of fun fooling around with the rest of the team. Lunch at Noodles & Company is a regular.

# PEP CLUB AND THE FANS

After many attempts, Morgan Sorensen, Stephanie Rosenthal, Maran Smith, Tori Searl, Elysia Sotiriou, and Alex Jacobs create a human pyramid. If only for a short time.

Founded just one year ago in an effort to raise school spirit, Pep Club has created a new level of fan support.

These pages are dedicated to Pep Club, founded by Morgan Sorensen and Tori Searl in 2004. In a short amount of time they have managed to raise school spirit to a level many of us have never seen before. Last year they even managed to fill every seat at a single game. Things have gone along smoothly as school spirit continues to increase and more members join Pep Club.

On the right are the fans that attend our games. Nearly everyone pictured attends most of RHSM's many sporting events. Their dedication to our school is exactly what pep club stands for.

Chris Cooke, a Senior, is a pro Lincoln Douglas debater. He's been debating for 4 years.

Margaux Miller, amidst her preparation, stops to pose for a picture.

Melissa Leeworthy is a policy debater with attitude.

Melissa Patel and her special coach look on the internet for evidence for Lincoln Douglas debate.

Senior Nick Wilkerson, policy debate professional, is very serious all the time. He drives around all of the debate evidence in his truck.

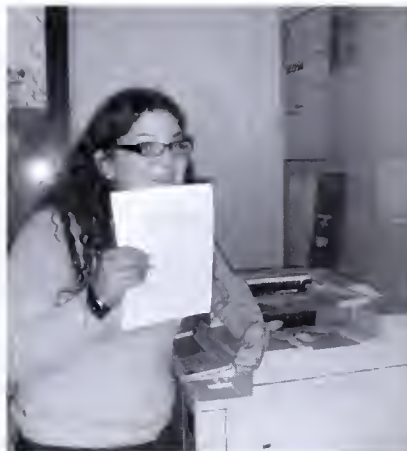

Junior Marilyn Katzman looks worried during one of her policy debate rounds. She is very passionate about her work in debate, and it shows in her success.

Chase Burton baffles his opponents while reading some of his evidence. Ice burn.

So now we know where all the paper went. Ariana Barusch was photocopying very important evidence for her upcoming tournament.

Nathan Hall-Snyder works hard on his debate case for his upcoming tournament.

Cyrus Akrami shows off the custom license plate holder on Nick Wilkerson's car. That's dedication.

Senior Gus Eyzaguirre is one of the best debaters at RHSM in policy. He often gets in the top ten and also gets numerous speaker points. Gus also has a good time after his tournaments.

Junior Lawrence Benjamin proves the coaches and his fellow debaters wrong during practice. He debates in public forum.

# NAVAJO SANTA

During the weekend of December 3rd to 5th, nineteen Rowland Hall-St. Mark's students, three Faculty members and six parents went down to the Navajo Reservation in Southern Utah. This eclectic mix of RHSM personnel went to the Reservation to deliver Christmas gifts and supplies to the Navajo people. Rowland Hall-St. Mark's has been going down to the Reservation for sixteen years now, and it has a major impact on the Navajo community. Without the help of RHSM and other groups, many of the Navajo families would not be able to have a Christmas or a happy holiday. Liz Paige organized

the effort, and volunteers delivered the gifts to the reservation.

Special thanks to: Abby Martin, Alex Jacobs, Ankita Gupta, Anna Lund, Brianna Browning, Chris Slager, Connor Barton, Cooper Flynn, Courtney Steele, Eli Koles, Emily Kay, Erin Butler, Hunter Jackson, Katrin Sharp, Lena Carroll, Mallory Rosenthal, Maran Smith, Stan Freedman, and Tori Searl for volunteering.

Thanks to faculty members Karen Hyde, Trace Browning, Michael Yei and to the parents- Martha and Michael Barton, Deepa and Ranjan Gupta, Phil Carroll, and Lona Sharp.

# NATIONAL HONOR SOCIETY

The National Honor Society (NHS) is the nation's premier organization, established to recognize outstanding high school students. More than just an honor roll, NHS serves to honor those students who have demonstrated excellence in the areas of Scholarship, Leadership, Service, and Character. RISM students worked hard this year to make NHS great, and did many service projects and programs that focused on what NHS stands for.

# INTERACT

Interact's goal this year was not only to provide service to the local community but Internationally, as well. Focusing its attention directly on Tonga, the club once again took to serving the Rowland Hall- St. Marks community with a delicious Tongan meal prepared by the members of the Club. With Rosemary Tuaone as a dedicated President, Anna Lund as Vice President, Elysia Sotiriou as Publicity Director, Victoria Heagy as Secretary and Emily Kay as Treasurer, the members focused on providing service to a local elementary school once a month.

Some students had a really hard time with the new dress code this year. In the outlining photos, we documented these vital mistakes that could lead to detention..suspension... expulsion...or death. According to the student handbook you all should aspire to look like the student in the photo above the enforcers.

# DRESS LIKE G. HEN DAY

Egged on by students, 11th grade history teacher George Henry sponsored the very first "Dress Like George Henry Day." Students from each class, male and female, put on their best clothes and came to school with the promise of freebees and perhaps 50 dollars. The winners, Olivia Akerley for the girls and Lawrence Benjamin for the boys, did indeed receive 50 dollars. Everyone had fun and this has been guaranteed as a future tradition.

## CONGRATULATIONS DIAMONDBACKS!!

Eleven years ago, 13 Rowland Hall first graders formed a T-ball team in a league sponsored by the Boys and Girls Clubs of Greater Salt Lake. Moving to machine pitch the next year, they played together for 5 seasons, with a combined record of 31 wins and only 9 losses. Various names were given to the team (twice), they had two undefeated seasons and only one losing season. In a league of mostly all-boy teams, the co-ed Rowland Hall team learned to just smile with quiet confidence when they overheard first-time opponents remark how easy a win would be, what with all those girls on the other team!

We salute the members of the Class of 2006 who played on the team for one or more seasons. In alphabetical order, they are:

Hunter Jackson (5 years)	Dana Pool (5 years)
Asher Koles (1 year)	Jared Ruga (5 years)
Alex Orme (5 years)	Tori Searl (5 years)
Teale Orme (5 years)	Lauren Wood (5 years)

Your coaches are very proud of your accomplishments both on and off the baseball field, and wish you all the best in the years ahead!

It's a joy to be part of your life.

# THE LIFERS OF 2006

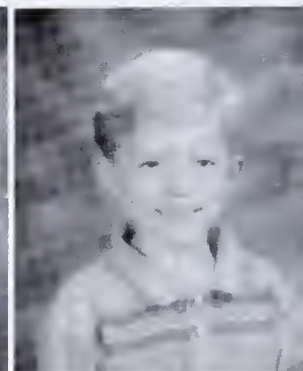

These students have attended RHSM since first grade or before, and they have not left the school for more than one year. It took twelve years to achieve this, but they can finally call themselves lifers. Congratulations to the Lifers of 2006.

# THE HALLMARK BUNCH

Here's the story about a book named Hallmark- which was made by 15 boys and girls, all of them did a lot of work for the Yearbook, Bransford Briggs in curls. It took a while, but the Hallmark came together, and we knew that it was much more than a hunch, that this group would somehow form a Yearbook- That's the way we all became **THE HALLMARK BUNCH!**  
We hope that the entire RHSM community enjoys what was truly a rewarding experience.

Pictured below is the awesome Hallmark staff: Phinehas Bynum, Elysia Sotiriou, Bransford Briggs, Advisor Conor Bentley, Victoria Heagy, Chris Felt, Lauren Austin, Thomas Radman, Ivey Bostrom, Jessa Grey, Matt Coleman, Danielle Therson, Dylan Akerley, Hanna Saltzman, Daniel Bohac and Zach Brodsky.

## MEN'S SOCCER

The men's soccer season started with adding some new talent during open gym sessions, and offered a new outlook for RHSM soccer. The season was characterized by strong senior leadership and was infused with younger players who provided the needed skills to succeed. Despite a mediocre season, RHSM soccer appears to be in good hands for the coming years.

# SOFTBALL

The RHSM Softball team had a great year, improving greatly as the season wore on. Led by Coaches Kathy Howa, Kendra Tomsic and Terri Ellefsen, the team spent a great deal of time working on skills, especially hitting. Practices were hard, but all the work paid off in a solid season with some exciting games.

# SPRING FLING
